

## UPDATE 2:45 PM

---

### WELCOME & BACKGROUND

Welcome to Teton County, Wyoming and the Town of Jackson's joint effort dedicated to a safe and successful Total Solar Eclipse. As we welcome visitors and everyone readies to experience the highly anticipated celestial event within the path of totality, Teton Eclipse will be releasing twice-daily updates August 18-23, 2017. Thank you for referring to this official source containing accurate information from all agency partners for eclipse situation updates.

Use [tetoneclipse.com](http://tetoneclipse.com) to access local emergency contacts, maps with viewing locations and campsites, information points, public restrooms and parking, as well as wildfire prevention and solar safety.

**ECLIPSE REMINDERS** *Don't have an eclipse in judgement. Make a plan to have an enjoyable eclipse experience.*

**EYE SAFETY AT ALL TIMES:**

## TOTAL SOLAR ECLIPSE

Friday, August 18, 2017

---

### STATUS

Business as usual for Jackson Hole. Summer remains bustling with added eclipse energy as visitors arrive from around the world! Agencies report coordinated planning in effect.

---

### TODAY

Teton County, Wyoming and the Town of Jackson with agency partners continue to commence official Eclipse planning operations. Despite being a few days out from August 21, officials report the situation and current operations at present remain as expected and planned.

---

### CONDITIONS

**PUBLIC LANDS:** Bridger-Teton National Forest campgrounds are filling up. Unless otherwise noted, expect most campsites are occupied, but Big Piney Ranger District reports openings in Hoback Guard Station, Middle Piney Lake Campground, Sacajawea Campground, Snyder Guard Station, Cliff Creek- dispersed camping.
